Changing Maturity Level in E-iNC Library

1. Sign in to the E-iNC account. There are two ways to sign in; however clicking the account button is easier since accessing the account settings is the goal.

2. After logging in, look for the Settings button on the right hand side of the screen. Click settings.

3. In the center of the Settings Page, there will be a section to set the Maturity Levels. Options for levels include Juvenile, Young Adult, General Adult, and Mature Adult. Changing the levels to "Juvenile to Juvenile" will retrieve only children's books, "Juvenile to Young Adult" will retrieve both children's books and young adult books, and so on.

Settings		Checkouts
